## **Valeo Pharma Announces Listing of its Shares on the Canadian Securities Exchange Under the Symbol VPH.**

MONTREAL, QUEBEC – **February 20, 2019** – Valeo Pharma Inc. (CSE:VPH) (“Valeo Pharma”) a Canadian specialty pharmaceutical company, is pleased to announce the listing and trading of its shares on the Canadian Securities Exchange (“CSE”) under the symbol “VPH”. Founded in 2003, Valeo Pharma has a long history of successfully commercializing pharmaceutical products in Canada and is therapeutically focused on neurodegenerative diseases, woman’s health and oncology. With the recent approval by Health Canada of Onstryv, a novel treatment for Parkinson’s disease, Valeo Pharma is preparing for the launch of five products in 2019.

*“This is an exciting time for Valeo Pharma’s shareholders, employees and pharmaceutical partners,” said Steve Saviuk, Chief Executive Officer of Valeo Pharma. “Following the sale of our dermatology portfolio in 2014 our team has worked extensively on developing the company’s new therapeutic areas of focus. The approval by Health Canada of Onstryv for the treatment of Parkinson’s disease is a significant milestone for our company. Valeo Pharma is now preparing for Onstryv’s commercial launch in the second quarter of calendar 2019. We are also making preparations for the launch of our first prescription product in women’s health and three other products in our growing hospital specialty portfolio, including our first product entry into the U.S.. Our product pipeline continues to expand reflecting our experienced and diverse regulatory and commercial capabilities. With our upcoming product launches and revenue growth, Valeo Pharma is well positioned for a successful debut on the CSE as a publicly traded specialty pharma company.”*
